

Enrolment Agreement

1.0 PURPOSE

This document forms the basis of a formal agreement between the parents/s or carers/s and the student with the Youth2Industry College. This Enrolment Agreement sets out the terms and conditions on which students are enrolled at Youth2Industry College.

The College Board retains the right to alter these terms and condition from time to time in writing between the College and the Applicant or by notice and the Applicants agree they are bound by all such variations.

2.0 ENROLMENT PROCESS

The enrolment process at the Youth2Industry College follows the College's Enrolment Policy and Procedure and requires Applicants to submit an Expression of Interest, attend an interview and provide all requested admission documentation including information on Applicants learning needs. The Enrolment Policy and Procedure and Expression of Interest are available on the Youth2Industry College website.

2.1 Choosing a Senior School program

Students can enter a senior school program (ie VPC or VCE VM) that suits their learning needs, abilities and interests. Decisions about which senior school program a student should be placed in (inclusive of a suitable VET or SBAT program) will be determined by the Leader of Senior School who may liaise and consult with teaching staff and/or referring agencies. Considerations will include the student's literacy and numeracy levels, support needs and abilities/capabilities. The Youth2Industry College will consider the following points when assessing the student's program:

- Applicant interview
- Results of language, literacy and numeracy assessment (where completed)
- Information from referring agencies, e.g school
- Student reports/allied health reports/assessments
- Career goals and pathways

- Teacher and peer support needs
- Leader of Senior School evaluation of most appropriate learning pathways

Offers of enrolment are made solely at the discretion of the Principal and will be conditional on the Principal being satisfied as to the suitability of the Applicant and the ability of the College to meet the student's needs. An application for enrolment does not itself constitute an enrolment.
